INDEPENDENT AUDITOR'S REPORT

To
The Members of
Vishwas Refoils and Consumer Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Vishwas Refoils and Consumer Limited** ("the Company"), which comprise the balance sheet as at 31st March, 2026, and the statement of Profit and Loss and statement of cash flows for the year ended 31st March, 2026, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, its Profit or Loss, the changes in equity and its cash flows for the year ended 31st March, 2026.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *'Auditor's Responsibilities for the Audit of the Financial Statements'* section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, '26. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including cash flows of the Company in accordance with the AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company

to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended 31st March, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

iv. **Loans to directors & Investment by the Company:**

In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it, as applicable.

v. **Deposits**

The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the Rules framed there under to the extent notified. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

vi. **Cost records:**

Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Companies Act, 2013 in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

vii. **Statutory Dues:**

a. According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, goods and services tax and labour welfare fund, though there were no delay in depositing undisputed statutory dues, including duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.

b. According to the information and explanation given to us, there are no dues of income tax, goods & services tax, duty of excise, value added tax on account of disputed, hence reporting under this clause is not applicable.

viii. **Unrecorded income**

According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

ix. **Repayment of Loans:**

a. According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the period.

b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority.

c. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has applied term loans for the purpose for which the loans were obtained, hence reporting under clause 3(ix)(C) of the order is not applicable.

d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has not used funds raised on short-term basis for the long-term purposes.

x. **Utilization of IPO & FPO and Private Placement and Preferential issues:**

a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not raised moneys by way of initial public offer/ further public offer through debt instruments during the period. Hence reporting under Clause 3(x)(a) of the Order is not applicable to the company.

In our opinion, the Company has complied with the requirements of Sections 42 and 62 of the Companies Act, 2013 in respect of such private placement. Further, the funds so raised have been utilised for the purposes for which they were raised.

xi. Reporting of Fraud:

a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the period, nor have we been informed of any such case by the Management.

b. To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT- 4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the period and up to the date of this report.

c. As represented to us by the Management, there were no whistle blower complaints received by the Company during the period and up to the date of this report.

xii. NIDHI Company:

As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

xiii. Related Party Transaction:

The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in Note 26 to the financial statements as required by applicable Accounting Standards.

xiv. Internal Audit

a) In our opinion and according to the information and explanations given to us, the Company was required to have an internal audit system under the provisions of Section 138 of the Companies Act, 2013 and the Company has established such an internal audit system during the year. Accordingly, the internal audit system is commensurate with the size and nature of its business.

b) We have considered the internal audit reports of the Company issued for the period under audit.

"Annexure B" to the Independent Auditor's Report of even date to the members of Vishwas Refoils and Consumer Limited on the Financial Statements for the year ended 31st March, 2026.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction.with our audit of the financial statements of **Vishwas Refoils and Consumer Limited** ('the Company') as at and for the year ended 31st March, 2026, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Note 1 : Note to Financial Statements for the year ended on 31st March, 2026

A. BASIS OF PREPARATION

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles (GAAP) in India under the historical cost convention on accrual basis. GAAP comprises mandatory Accounting Standards as prescribed under section 133 of Companies Act, 2013 ('the Act') read with rule 7 of Companies (Accounts Rules), 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except were newly issued Accounting Standard is initially adopted or a revision of an existing Accounting Standard requires change in accounting policy thereto in use. The Company presents separately each material class of similar items. Items of a dissimilar nature or function are presented separately unless they are immaterial.The preparation of financial statements requires management to exercise judgement in applying accounting policies and making estimates that affect the reported amounts of assets, liabilities, income and expenses.

B. USE OF ESTIMATES

The preparation of the financial statements is in conformity with Indian GAAP (Generally Accepted Accounting Principles) which requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities as on the date of the financial statements. The estimates and assumptions made and applied in preparing the financial statements are based upon management's best knowledge of current events and actions as on the date of financial statements. However, due to uncertainties attached to the assumptions and estimates made actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

C. REVENUE RECOGNITION:

(i) Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, which generally coincides with dispatch or delivery in accordance with the terms of the contract, the amount of revenue can be measured reliably, and it is probable that the economic benefits associated with the transaction will flow to the Company.

Revenue is measured at the fair value of the consideration received or receivable, net of returns, trade discounts, rebates and Goods and Services Tax (GST) collected on behalf of the Government.

Revenue from high seas sales is recognised upon the transfer of documents of title to the buyer prior to customs clearance, provided that the significant risks and rewards of ownership have been transferred and the other criteria for revenue recognition have been satisfied.

(ii) Interest is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head 'Other income' in the statement of profit and loss.

(iii) Export entitlement should be recognised when there is reasonable assurance that the entity will comply with the conditions attached and there is higher probability of receiving the same.

(iv) Revenue is recognised only when there is no significant uncertainty regarding the amount of consideration and its ultimate collection

D. PROPERTY, PLANT AND EQUIPMENT

(i) Property, Plant and Equipment assets are stated at cost of acquisition or construction including expenses incidental to acquisition and its installation. The cost comprises the basic purchase price including import duties and other nonrefundable taxes and directly attributable costs of bringing the asset to its working condition for its intended use.

(ii) Any trade discounts and rebates are deducted in arriving at the purchase price.

(iii) Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

(iv) All other expenses on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

(v) Gains or losses arising from disposal of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

(vi) Capital work-in-progress is carried at cost comprising direct cost, related incidental expenses and borrowing costs, where applicable.

E. DEPRECIATION AND AMORTISATION

Depreciation is calculated using the Written down value method over their estimated useful lives. The estimates of useful lives of Property Plant and Equipments are as follows:

Class of Assets	Useful Life as per The Companies Act, 2013	Useful Life as per Company
Furniture and Fixtures	10 Years	10 Years
Vehicle	8 Years	8 Years
Plant and Machinery	15 Years	15 Years
Electrical Equipments	10 Years	10 Years
Computers & Laptops	3 Years	3 Years

Depreciation on addition/deletion of fixed assets made during the year is provided on pro-rata basis from/up to the date of such addition/deletion as the case may be.

F. **INVENTORIES:**

Inventories are valued at the lower of cost and net realisable value (NRV).

The cost of inventories is determined using the First-In, First-Out (FIFO) method. The cost of finished goods comprises the cost of raw materials, direct labour and a systematic allocation of fixed and variable production overheads based on the normal operating capacity of the production facilities. Costs of work-in-progress and finished goods include an appropriate proportion of production overheads attributable to the stage of completion.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

The Company deals in edible oil inventories. Physical verification of inventories is carried out by the management at regular intervals under a structured verification programme, including comprehensive verification at the end of each financial year. Any discrepancies noticed on such verification are appropriately adjusted in the books of account.

Inventories are reviewed periodically for slow-moving, damaged or obsolete items. Based on the management's assessment of the condition and realisability of inventories as at the reporting date, no provision for shortage or obsolescence was considered necessary. Cost of raw materials, packing materials, stores and spares comprises purchase cost including duties and taxes (other than those subsequently recoverable. Cost of inventories includes all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

G. **IMPAIRMENT OF ASSETS:**

At each balance sheet date, the management reviews the carrying amounts of its assets included in each cash generating unit to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of the asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and risks specific to the asset.

Impairment losses of continuing operations are recognised in the statement of profit and loss.

H. **RETIREMENT BENEFITS:**

Defined Contribution Plans:

Defined Benefit Plans:

Gratuity is a defined benefit plan. The Company's liability towards gratuity is determined on the basis of an actuarial valuation carried out at each Balance Sheet date using the Projected Unit Credit Method. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised immediately in the Statement of Profit and Loss in the period in which they arise. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss in the period in which they arise.

I. **BORROWING COST**

Borrowing costs that are directly attributable to the acquisition/ construction of qualifying assets are capitalized as a part of the cost of the respective asset up to the date when such assets are ready for their intended use and borrowing costs other than these costs are charged to Profit and Loss Account.

J. **EARNINGS PER SHARE:**

The earnings in ascertaining the Company's EPS comprises the net profit after tax attributable to equity shareholders and includes the post tax effect of any extraordinary items. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit/(loss) after tax attributable to Equity Shareholders (including the post tax effect of extra ordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period.

K. **TAXATION:**

Tax expense for the year comprising current tax & deferred tax are considered in determining the net profit for the year. Provision is made for current tax and based on tax liability computed in accordance with relevant tax laws applicable to the Company. Provision is made for deferred tax for all timing difference arising between taxable incomes & accounting income at currently enacted or substantively enacted tax rates, as the case may be. Deferred tax assets (other than in situation of unabsorbed depreciation and carry forward losses) are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date. Deferred tax assets, in situation of unabsorbed depreciation and carry forward losses under tax laws are recognised only to the extent that where is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be recognised. Deferred Tax Assets and Deferred Tax Liability are been offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liability and where the Deferred Tax Asset and Deferred Tax Liability relate to Income taxes is levied by the same taxation authority.

L. **PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**

(i) Provisions

A provisions is recognized when the Company has a present obligation as a result of past event, if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

(ii) Contingent Liability

Contingent Liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(iii) Contingent Assets

The Company does not recognise contingent assets until the realisation of income is virtually certain. Contingent assets are disclosed where an inflow of economic benefits is probable.

M. **CASH FLOW STATEMENT**

Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financial cash flows. The cash flows from operating, investing and financing activities of the Company is segregated.

N. **CASH & CASH EQUIVALENTS**

Cash & cash equivalents comprise cash and cash on deposit with banks and financial institutions. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amount of cash to be cash equivalents.

O. **CURRENT AND NON-CURENT CLASSSIFICATION OF ASSETS/ LIABILITIES**

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification. An asset is classified as current when it is expected to be realised in, or intended for sale or consumption in, the Company's normal operating cycle, held primarily for trading, expected to be realised within twelve months after the reporting date, or is cash or cash equivalent unless restricted. All other assets are classified as non-current. A liability is classified as current when it is expected to be settled in the Company's normal operating cycle, held primarily for trading, due to be settled within twelve months after the reporting date, or where the Company does not have an unconditional right to defer settlement for at least twelve months after the reporting date.

P. **FOREIGN CURRENCY TRANSACTION:**

The transactions in foreign currencies are converted into Indian Rupees at the rates of exchange prevailing on the date of transactions.

Monetary assets and liabilities denominated in foreign currencies are translated at the closing exchange rate prevailing at the Balance Sheet date. Exchange differences arising on settlement or translation are recognised in the Statement of Profit and Loss. The resultant net gain/loss arising out of such foreign exchange translations is taken to Profit and Loss Account except in respect of such differences related to acquisition of PPE from a country outside India which are capitalized as a part of cost of respective PPE.

In respect of transactions covered by Foreign Exchange Forward Contracts, the difference between the forward rate and exchange rate at the inception of contract is recognised as income or expenses over the life of the contract. Exchange differences relating to monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

Q. **RELATED PARTY TRANSACTION:**

Disclosure of transactions with Related Parties, as required by "Accounting Standard 18-Related Party Disclosure" has been set out in the Notes on Financial Statements.Related parties are identified in accordance with Accounting Standard (AS) 18 – Related Party Disclosures based on management representations and other records available with the Company.

R. **LEASE:**

Leases where substantially all the risks and rewards incidental to ownership of the leased asset remain with the lessor are classified as operating leases. As a lessee, lease payments under operating leases are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern in which the benefit from the leased asset is derived.

Leases that transfer substantially all the risks and rewards incidental to ownership of the leased asset to the Company are classified as finance leases. Assets acquired under finance leases are recognised at the lower of the fair value of the leased asset and the present value of the minimum lease payments at the inception of the lease. The corresponding lease obligation is recognised as a liability. Lease payments are apportioned between finance charges and reduction of the outstanding lease liability so as to produce a constant periodic rate of interest on the remaining balance of the liability. Finance charges are recognised in the Statement of Profit and Loss over the lease term. Assets acquired under finance leases are depreciated in accordance with the Company's depreciation policy applicable to similar owned assets.

As Lessee:

Assets acquired under finance leases are recognized as fixed assets at the inception of the lease at the lower of the fair value of the leased asset and the present value of the minimum lease payments. A corresponding lease liability is recognized for the same amount.

Lease payments are apportioned between finance charges and reduction of the outstanding lease liability so as to produce a constant periodic rate of interest on the remaining balance of the liability. Finance charges are recognized in the Statement of Profit and Loss over the lease term.

The leased asset is depreciated over its useful life in accordance with the Company's depreciation policy where there is reasonable certainty that ownership will be obtained by the end of the lease term. In the absence of such reasonable certainty, the asset is depreciated over the shorter of the lease term and its useful life.

As Lessor:

Assets given under finance leases are recognized as a receivable at an amount equal to the net investment in the lease. Finance income is recognized over the lease term based on a pattern reflecting a constant periodic rate of return on the net investment outstanding in respect of the finance lease

S. **Prior Period Items and Changes in Accounting Estimates**

Prior period items are income or expenses which arise in the current period as a result of errors or omissions in the preparation of the financial statements of one or more prior periods. Prior period items are separately disclosed in the Statement of Profit and Loss where material. Changes in accounting estimates are recognised prospectively in the period of change and future periods, if applicable.

Reason for variance in Ratios more than 25 %

1 **Current Ratio (in times)**
The Current Ratio increased from 1.48 times as at March 31, 2025 to 2.17 times as at March 31, 2026, primarily due to a significant increase in the Company's current assets during the year.

2 **Debt-Equity Ratio (in times)**
The Debt-Equity Ratio decreased from 1.42 times as at March 31, 2025 to 0.72 times as at March 31, 2026, primarily due to a significant increase in the Company's shareholders' equity on account of higher profitability and accretion to reserves during the year. The increase in equity, coupled with the corresponding movement in the Company's borrowings, resulted in a lower proportion of debt to equity, thereby improving the overall capital structure and reducing the Debt-Equity Ratio as compared to the previous year.

3 **Debt Service Coverage Ratio (in times)**
The Debt Service Coverage Ratio (DSCR) decreased from 23.10 times as at March 31, 2025 to 8.29 times as at March 31, 2026, primarily due to a significant increase in debt servicing obligations during the year, including principal repayments arising from new borrowings as well as scheduled repayment of existing loans. The increase in total debt service requirements was proportionately higher than the increase in earnings available for debt servicing, resulting in a decline in the Debt Service Coverage Ratio as compared to the previous year.

7 **Trade Payables Turnover Ratio (In Times)**
The Trade Payables Turnover Ratio increased from 97.75 times for the financial year ended March 31, 2025 to 197.93 times for the financial year ended March 31, 2026, primarily due to an increase in purchases during the year, while the average trade payables did not increase proportionately. This reflects faster settlement of trade payables and improved efficiency in managing supplier obligations, thereby resulting in an increase in the Trade Payables Turnover Ratio as compared to the previous year.

8 **Net Capital Turnover Ratio (In Times)**
The Net Capital Turnover Ratio decreased from 39.23 times for the financial year ended March 31, 2025 to 23.30 times for the financial year ended March 31, 2026, primarily due to a proportionately higher increase in net working capital as compared to the growth in revenue from operations during the year. Consequently, the increase in net working capital exceeded the increase in sales, resulting in a decline in the Net Capital Turnover Ratio as compared to the previous year.

9 **Net Profit ratio (in %)**
The Net Profit Ratio increased from 1.16% for the financial year ended March 31, 2025 to 1.59% for the financial year ended March 31, 2026, primarily due to an increase in revenue from operations during the year coupled with improved profitability. The growth in net profit was proportionately higher than the increase in revenue, resulting in an improvement in the Net Profit Ratio as compared to the previous year.
